

BENROMACH 10 YEAR SCOTCH

Region: Speyside

Using the finest natural ingredients, our three distillers orchestrate every second of the distillation process; there are no short cuts to perfection. Every cask is hand-filled, hand-weighed and hand-stamped before maturing for many years in our traditional dunnage warehouses. Why do we make it this way? Because it creates a gorgeous classic pre-1960s Speyside character: beautifully balanced with a light touch of smoke. Discover more at benromach.com

BENROMACH PEAT SMOKE 9 YEAR SCOTCH
